MEMORANDUM

March 11, 2011

TO: APFO Advisory Committee members

FROM: Deane Mellander, Zoning Administrator

SUBJECT: Committee Update

Here is the packet for the March 17 meeting. I have included the draft minutes from the March 10 meeting. The revision of the minutes for the March 3 meeting will be e-mailed to you later since we will have to go back to the audio to review the extra discussion details. Glenn Orlin from Montgomery County will be hear to speak on the County's growth policy at this meeting. We will be working on putting the white board topics from last night's meeting into a more formal table format, but that needs Julie's input, so we will have to get that out early next week.

Please let me know if you have any questions prior to the meeting.
